

Recessed Bath Accessories

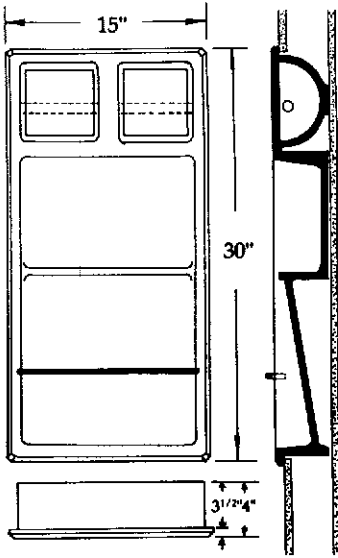

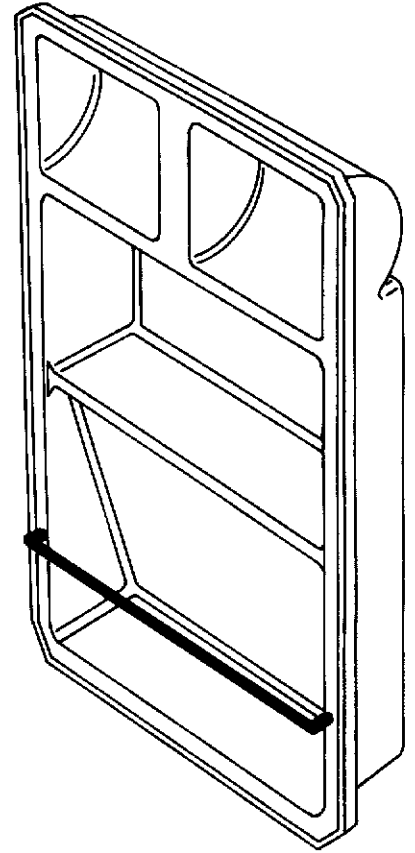

Magazine Rack

Magazine Rack

(With Twin Toilet Paper Holders)

This system will organize all those clutter causing magazines and books in one of the most space conscious units available. And all within easy reach from barely a "bulge" in the wall! You also have the added convenience of an ample supply of toilet paper.

The unit is available in standard, Exyte, Kohler, Eljer, American Standard and/or custom colors of your choice. It is also available in Aluminyx and Granatex.

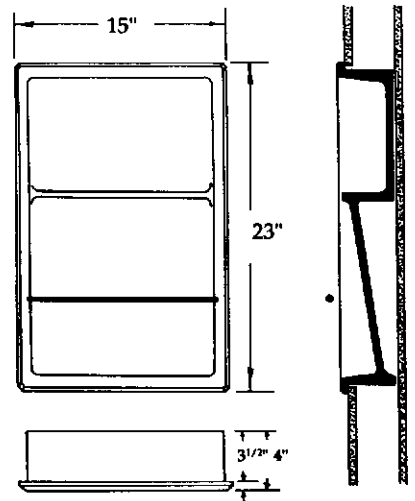

NOTE: Make Rough-out hole size 14" x 29"

Magazine Rack

(Without Toilet Paper Dispenser)

This unit is particularly suited to areas where seating may not be restricted to the water closet and/or toilet paper dispensers are mounted elsewhere. It is compact, space efficient and attractive. The wall-mounted, recessed magazine rack is an ideal way to avoid space consuming floor units that tend to clutter and always be in the way.

Available in standard Exyte, Kohler, Eljer, American Standard and custom colors of your choice. Also available in Aluminyx and Granatex.

NOTE: Make Rough-out hole size 14" x 22"
