

Towel Caddies

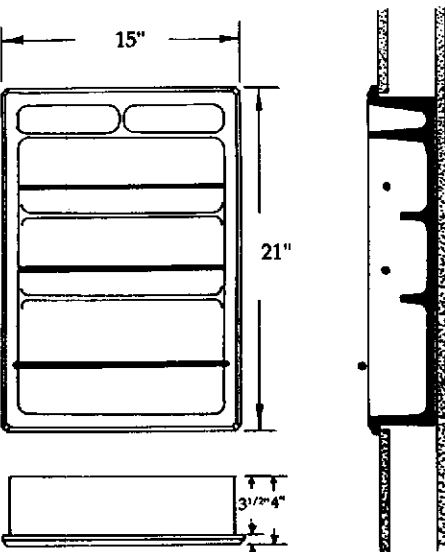

Large Towel Caddy

This unit provides ample room for four (4) face towels, two (2) hand towels and two (2) large bath towels. It is designed to fit between the studs and take virtually no space from the room. It may be located near the tub, shower and/or vanity basin for easy reach. Elegant, space conscious and convenient, our towel caddy is a beautiful addition to your bathroom.

Available in standard Kohler, Eljer, American Standard, Six-Eleven Exyte colors, plus custom solid colors of your choice. Also available in Aluminyx and Granatex.

NOTE: Make Rough-out hole size 14" x 29"

NOTE: Make Rough-out hole size 14" x 20"

Small Towel Caddy

When even stud-to-stud wall space is scarce, you can have all that the Large Towel Caddy has to offer foregoing space for only two (2) face towels and a large bath towel. Conveniently located near the tub, shower and/or vanity basin, towels are always in reach.

Available in standard Exyte, Kohler, Eljer, American Standard colors and custom colors of your choice. Also available in Aluminyx and Granatex.
