

Mirrors

The Versaille Mirror Frame

The Versaille mirror frame is the perfect addition to any bath environment or powder room. It compliments our Versaille and New Orleans pedestal basins along with the Versaille or Louvre bathing pools. This traditional design has withstood the test of time adding a touch of elegance to any room.

General Information

This mirror frame collection was created with the intent of complimenting Six-Eleven's bathroom products—the most extensive line existing today. With products such as our bathing pools, showers, tub/shower combinations, wall treatments, vanity or pedestal basins, counter tops, floor tiles, toilets, bidets and numerous other accessories enable you to assemble a complete bath concept. All of the above items are available in Exyte*, Aluminyx and Granatex colors.

*NOTE; Exyte colors match Kohler, Eljer, American Standard and some other major manufacturers most popular colors in addition to the Six-Eleven "Rainbow series" of solid colors.

Six Eleven Limited, Inc. products are cast aggregate filled polyester sandwiched between layers of a fiber reinforced face (with a gel coat surface coating) and outer skin; with the outside layer being fire retardant materials. This composite vastly improves the insulation qualities and overall strength of the product.

All Six Eleven Limited, Inc. products are manufactured in accordance with the strictest quality control measures utilizing state of the art resources and materials. However, there may be slight differences in tolerances (+or - 1/8th of an inch), colors, hues, and patterns due to the nature of the materials used.

All information contained on this specification sheet is the property of Six Eleven Limited, Inc. and is furnished for use in operation, repair and maintenance of Six Eleven Limited products. Its reproduction for use in any way or purpose without prior written permission is forbidden. All rights on this material are reserved.
