## Native Trails Cameo CPS548 Brushed Nickel Drop-in or Undermount Sink

Cameo, a universal mount sink from Native Trails can be installed under the counter or as a drop-in sink, making it very versatile as well as beautiful. And yes, it's an oval in shape - with a generous 7" deep basin. As with all our sinks, it is artisan-crafted of reclaimed copper, then hand-hammered for its gorgeous texture. Available in Antique, Natural and hand-dipped Brushed Nickel finishes.

**Brushed Nickel**
